## Travel with us... never alone

In the words of the Charolais Cattle Breeder's Society, the mission of Sure Etnique Travel is to offer highly efficient travel services, adapted to local and global conditions. And, like the breed's characteristics, we are outstanding in what we do, offer consistent, excellent and uniform services, and are also highly adaptable in order to fulfill our client's precise expectations.

Net soos die Charolais Beestelersgenootskap, is ons uniek: Ons versameling reisboeke, kaarte en resente inligting oor bykans alle lande, streke en stede, hul gebruike en kulture vind u nêrens elders nie; so kan u ook bykans tweehonderd reisartikels oor plekke wat ons al besoek het, op ons webwerf en blog lees. Ons kan nie net vir u die nodige besprekings doen en reëlings tref nie, maar ook gedetailleerde reisprogramme opstel, met aanbevole besienswaardighede en verblyfplekke.

Our consultants all have many years of in-depth and personal knowledge of travel-related matters, backed by the expertise of the internationally renowned Sure Group of Travel Agents to which we have unlimited access. At our blog at [www.travelinform.co.za](http://www.travelinform.co.za) you will find a stunning variety of travel-related information. Our exiting upcoming new site at [www.travelwithus.co.za](http://www.travelwithus.co.za) will also enable you to utilize our unique services.
